Other Supplies

White cardstock, Watercolours, inks: Purple Rain by Studio Calico

Instructions

1. To create the card base cut white cardstock 300mm X 105mm and fold this in half. Attach black cardstock cut 150mm X 105mm to the front of this using double sided tape.
2. Then cut taffy cardstock 150mm X 105mm and gold heat emboss flowers from Altenew's Golden Garden scattered over the panel. Stamp the layering image to match each flower with Altenew's Ruby Red ink.
3. Cut the lower left corner off on an angle and adhere a piece of gold foiled acetate from WRMK's clearly posh paper pad behind this. Attach the panel to a piece of fun foam and adhere it to the front of the card.
4. Die cut the word hello in both black and gold cardstock and layer this with the black word slightly behind and off to the right side to look like a shadow.
5. Twirl some gold thread and attach this and the sentiment onto the lower left side of the card.
